

Jah a guh raid

Burning Spear

Come on let's reason
Even for a second,
Let's reason about the things what take
Place of I and I and I in Africa
During the invasion,
Some one gots to pay
Jah a go raid
Jah a go raid
You raid them Jah Jah raid them
Jah a go raid
You raid them Jah Jah You raid them
You raid them Jah Jah raid them
Jah a go raid
You raid then Jah Jah
He and them who take part in it
Who cause I and I blood fi run
In a River Jordan, beware,
This is a must
Some one gots to pay, raid them Jah, Jah
Jah a go raid
Story come to bump yes Jah
Story come to bump
When they rape my sister sister
They kill my mother mother
They chop off my father father head
And my brother brother lose his leg
Some one got to pay
Jah a go raid
You raid them Jah Jah raid them
Jah a go raid
You raid them Jah Jah
You raid them Jah Jah
Jah a go raid
Jah a go raid
They did raid I and I without a cause
So Jah raid them for I and I
Yes with a cause you raid them Jah Jah
You raid them
Some one gots to pay
Some one gots to pay
Some one gots to pay Jah Jah
Jah a go raid
You raid them Jah Jah raid the
For I and I and I and I
You raid them Jah Jah
You raid them Jah Jah
Jah a go raid
You raid them Jah Jah
