

Jah Is Real

Burning Spear

Help someone cross the river
Then they shove you in the river how
Ungrateful ones, I know their name

Jah is real
Jah is real
Jah is real

Jah is real
Jah is real
Jah is real

Someone can ask you for a favor
And then they try to take over how
And even ever grant that favor
That's what they will try to take over how
Ungrateful ones, I know their name

Jah is real
Jah is real
Jah is real

Jah is real
Jah is real
Jah is real

There seems to be confusing
Want to confuse and escape means
Ungrateful ones, I know their name

Jah is real
Jah is real
Jah is real

Jah is real
Jah is real
Jah is real

And Jah will help I to overcome
To overcome the Devil
Ungrateful ones, I know their aim

Jah is real
Jah is real
Jah is real

Jah is real
Jah is real
Jah is real

And Jah will always be there for I
I and I and I
Ungrateful ones, I know their name

Jah is real
Jah is real
Jah is real

Jah is real
Jah is real
Jah is real

Some only care about themselves
Care about no one else
Ungrateful ones, I know their name

Jah is real
Jah is real
Jah is real

They want I to be racist
I don't wanna be those things
(I don't wanna be)
They want I to be racist
I don't wanna be those things
(I don't wanna be)
Ungrateful ones, I know they hate

Jah is real
Jah is real
Jah is real

You get up every day and fight
Fight against innocent one got harmed
Ungrateful ones, I know they hate

Jah is real
Jah is real
Jah is real

Oh, Jah

You can make a different in your life
Only if you make a chance
Ungrateful ones, I know they hate

Jah is real
Jah is real
Jah is real

Oh, Jah

Jah is real
Jah is real
Jah is real

Jah is real
Jah is real
Jah is real

Jah is real
Jah is real
Jah is real
