Stop thinking about hurting each other
And when you hurt I if you hurt I
What you gonna tell mom say

Mom start to lose her mind
Through down your arms and come
Through down your arms and come

We can't afford to lose a no more
Brothers
And when the system hold I and I
Regardless how small the problem is
A fingerprint and mugshot
A fingerprint and mugshot
What a disgraceful moment

Malcom X say by all mean necessary

No replacement for Marcus Garvey
No replacement for Malcom X
No replacement for Martin Luther King
What a disgraceful moment

So we've got to be careful
The wild west is in our face
Let's not play the cow boys
The wild west is in our face
What a disgraceful moment
