

We Are Free

Burning Spear

Oh, we gonna shout it out
Yes, we gonna tell they
Tell them that we are free again
Free from the wicked man
Free from the misery
We are free again
We are free again

No more cryin'
Oh oh, no more weepin'
Oh no, no more mournin'
Shout it out, I said it loud and clear
Tell them that you know we are free again
Free from the wicked man
Free from the misery
Oh yes, we are free again
Oh yes, we are free again

Shout it out you know - we are free again
loud and clear - we are free again
Go tell my bradda - we are free again
Go tell my sista - we are free again
Freedom - we are free again
Freedom - we are free again
