

You Want Me To

Burning Spear

Chorus:

You really want me to love you
You really want me to care for you

So it became responsibility
So we are gonna take a trip
We can go to Trinidad
We can go to St. Croix, yes we can
We can go to Bahamas, yes we can

Chorus

So many scences and places with people
Is on the other side of the world
But cruise you don't like
Rafting, it's a better choice
Sea cruise

Chorus

Along the way we don't want no bad
Vibes
You say I say and I say you say
I know you don't like sea cruise sea
Cruise sea cruise
Sea cruise

Chorus

Jamaica is grenn so green
Dunn's River is clear
Remember Negril
I think I should take for you
For a sight see
Over the hills and cross the valley
Over the hills and cross the valley
For a sight see
I think you should know Fern Gully
I think you should know Fern Gully
For a sight see

Chorus

So you really want me to love you
Girl you really really yeah
You really really really ...
