Arms Raised, Eyes Closed

Burning the Masses

A miracle has save your life and graced your presence with faith Running through this mysterious creation

Taking a path with footsteps, that lead nowhere Taking a path with footsteps, that lead nowhere

A wizard of the land Which eyes have never seen An illusion from the mainstream

Knees that worship
Arms raised, eyes closed
It's a cold winter for the weak

Baptized with no intuition, Living life by the book Take this and drink from it For its the blood of Christ

Get off your knees! Your imaginary friends will not respond They will not respond!

Word of the gospel a contagious fairytale has controlled how yo u live, Paying your way into the heavens

Disciples You have served your life sentence Desciples! You have served your life sentence

Disciples! Disciples!

You have severed you life sentence.
