## **Conquest: Writhe**

**Burst** 

Shifting eyes turn with shade Slave, a false entity I saw their hearts flood with ashen dusk Liars, scorn of foul delight

Forgive me father, for I am sin I rejoiced triumphantly
As goodness turned away and shut
It's bleak and weary eyes

This manifest of fundaments
I trusted you to see
Buried stark and tepid will
Come to life, oh fill with empathy

Smiteful bearer of hypocrisy You shall crush beneath the sky Damn your frantic bigotry Remorseless, we shall win

You shall see
