## **Mercy Liberation**

## **Burst**

Hear now what I tell you Men shall know of this They shall sleep content With certainty they'll see And here's the secret No hidden logic in the seasons Dreamer's topic denouncing All forms of reason Every lie to a child Every beating of a promise Embody all the scourge Something beautiful to throw away Let the weight of the centuries bend you And the light of clarity blind you I tell you of humanity It's come to rise unbound Finally to Earth Finally born
