Any Day Now

Burt Bacharach

Any day now I will hear you say "Goodbye, my love" And you'll be on your way Then my wild beautiful bird, you will have flown, oh Any day now I'll be all alone, whoa-oa-oa-oa

Any day now, when your restless eyes meet someone new Oh, to my sad surprise Then the blue shadows will fall all over town, oh Any day now love will let me down, whoa-oa-oa-oa

Oh my wild beautiful bird, you will have flown, oh Any day now I'll be all alone

I know I shouldn't want to keep you If you don't want to stay-ay Until you go forever I'll be holding on for dear life Holding you this way Begging you to stay

Any day now when the clock strikes "Go" You'll call it off And then my tears will flow Then the blue shadows will fall all over town, oh Any day now love will let me down cuz you won't be around

Don't fly away, my beautiful bird Don't, don't fly away
