## **Don't Go Breaking My Heart**

## **Burt Bacharach**

One drop of rain doesn't make the sun run away Don't go breakin' my heart One falling leaf doesn't make September in May Don't go breakin' my heart I made a mistake Now must you make a mountain out of a grain of sand? Don't throw love away because I went astray for a while Teach my heart how to smile, oh One sad goodbye doesn't mean we can't love again Don't go breakin' my heart My love will last till the sky falls down, even then You'll remain in my heart Come to my arms forever more Stay in my arms and give me your love Don't go breakin' my heart Don't go breakin' my heart
