

The April Fools

Burt Bacharach

In an April dream
Once you came to me!
When you smiled I looked into your eyes
And I knew I'd be loving you -
And then you touched my hand
And I learned April dreams can come true!

Oh, are we just April fools -
Who can't see all the danger around us?
If we're just April fools
I don't care, true love has found us now!

Little did we know
Where the road would lead -
Here we are a million miles away from the past
Travelin' so fast now
There's no turning back
If our sweet April dream doesn't last!

Are we just April fools -
Who can't see all the danger around us?
If we're just April fools
I don't care, we'll find our way somehow -
No need to be afraid
True love has found us now!
