The April Fools

Burt Bacharach

In an April dream
Once you came to me!
When you smiled I looked into your eyes
And I knew I'd be loving you And then you touched my hand
And I learned April dreams can come true!

Oh, are we just April fools -Who can't see all the danger around us? If we're just April fools I don't care, true love has found us now!

Little did we know
Where the road would lead Here we are a million miles away from the past
Travelin' so fast now
There's no turning back
If our sweet April dream doesn't last!

Are we just April fools Who can't see all the danger around us?
If we're just April fools
I don't care, we'll find our way somehow No need to be afraid
True love has found us now!
