

# Meanin' So Much

Burton Cummings

Oh sweet, sweet, sweet lovin' babe, how'd I ever let you go  
Miss you more as the years go rollin' by  
And I might still be near you, if not for one small thing I know  
You lied when I looked you straight in the eye  
But oh, you're meanin' so much  
Oh lover, meanin' what you're meanin' now  
Oh, meanin' so much to me  
Ask me how well, how well that I remember nights in September  
Lying holdin' each other's lovin' charms  
And I might still be near you, if not for one small thing I know  
I found you in someone else's arms  
But oh, you're meanin' so much  
Oh lover, meanin' what you're meanin' now  
Oh, meanin' so much to me  
I know it's useless, I know it's impossible, I've tried  
Can't seem to drink you out of my mind  
No sense in lookin', no sense in comin' crawlin' on back  
Knowing what it is that I'd find, what I'd find  
Oh, night comes falling bringing darkness again  
Bringing teardrops to another lonely man  
But I might still be near you, if not for one small thing I know  
When you loved me you would love me and then you ran, yes you did now  
But oh, you're meanin' so much  
Oh lover, meanin' what you're meanin' now  
Oh, meanin' so much to me
