

My Own Way To Rock

Burton Cummings

Revvin' up my engine like a 747 baby
Shiney lankey long and lean
What a scene
I'm gonna take my silver dollar
Change it into quarters
Shove 'em in the record machine

Baby said she loved me
Then she went and left me
Causin' such an awful scene
What a scene
I'm gonna take my silver dollar
Change it into quarters
Shove 'em in the record machine

'Cause I got my own way to rock
I got my own way to roll
And when you're walkin' that walk
It's good for your soul

'Cause I got my own way to rock
I got my own way to roll
And when you're walkin' that walk
It's good for your soul

Bee bop a lula babe
Wake up little Susie
Yes it's me and I'm in love again
Come on lover, got a hole lotta shakin'
I like it like that yea
