

## My Own Way To Rock

Burton Cummings

Revvin' up my engine like a 747 baby  
Shiney lankey long and lean  
What a scene  
I'm gonna take my silver dollar  
Change it into quarters  
Shove 'em in the record machine

Baby said she loved me  
Then she went and left me  
Causin' such an awful scene  
What a scene  
I'm gonna take my silver dollar  
Change it into quarters  
Shove 'em in the record machine

'Cause I got my own way to rock  
I got my own way to roll  
And when you're walkin' that walk  
It's good for your soul

'Cause I got my own way to rock  
I got my own way to roll  
And when you're walkin' that walk  
It's good for your soul

Bee bop a lula babe  
Wake up little Susie  
Yes it's me and I'm in love again  
Come on lover, got a hole lotta shakin'  
I like it like that yea
