

## Salvation & The Martyr

**Bury Tomorrow**

We will, Suffer Under Sacrifice  
We will, Run To Your Side,  
We will, Suffer Under Sacrifice,  
We will, Watch As Our City Falls,

Will you keep your promise? Can we find a way?  
Will you keep your promise? Can we find a way?  
Will you keep your promise? Can we find a way?  
Can we find a way, can we find a way?

Will you keep your promise? Can we find a way?  
Will you keep your promise? Can we find a way?  
Will you keep your promise? Can we find a way?  
Can we find a way, can we find a way?

We will, I Wont Be Alone Again  
We will, I Wont Fall This Time  
We will, I Wont Be Alone Again  
We will, I Wont Be Alone Again
