

## Salvation & The Martyr

### Bury Tomorrow

We will, Suffer Under Sacrifice  
We will, Run To Your Side,  
We will, Suffer Under Sacrifice,  
We will, Watch As Our City Falls,

Will you keep your promise? Can we find a way?  
Will you keep your promise? Can we find a way?  
Will you keep your promise? Can we find a way?  
Can we find a way, can we find a way?

Will you keep your promise? Can we find a way?  
Will you keep your promise? Can we find a way?  
Will you keep your promise? Can we find a way?  
Can we find a way, can we find a way?

We will, I Wont Be Alone Again  
We will, I Wont Fall This Time  
We will, I Wont Be Alone Again  
We will, I Wont Be Alone Again
