Salvation & The Martyr

Bury Tomorrow

```
We will, Suffer Under Sacrifice
We will, Run To Your Side,
We will, Suffer Under Sacrifice,
We will, Watch As Our City Falls,
Will you keep your promise? Can we find a way?
Will you keep your promise? Can we find a way?
Will you keep your promise? Can we find a way?
Can we find a way, can we find a way?
Will you keep your promise? Can we find a way?
Will you keep your promise? Can we find a way?
Will you keep your promise? Can we find a way?
Can we find a way, can we find a way?
We will, I Wont Be Alone Again
We will, I Wont Fall This Time
We will, I Wont Be Alone Again
We will, I Wont Be Alone Again
```
