Bust Stop back with a brand new groove,
Back to show you how it's done, have a little fun,
Cos we're number one,
We're gonna make you feel alright,
Gonna smoke the mic like an old peace pipe,
Now you know what you have to do,
D.A.Z. drops the lines at you.
Strike a match, let it burn,
On this dance floor baby take your turn.
Catch me when I drop my flow
And if you're in the party mood everybody go YO!
I'm tellin you a story now,
By the end you'll know it somehow,
Now you know what I'm going to say,
Everybody in the hous c'mon and PARTY

Well I'm back, so get out your seats,
Bringing back jams and retro beats,
I'm tryin' to prove that I'm the man with the
Smooth and slam, catch me if you can.
I've got the flow gonna rip,
Gonna take the stage with a brand new script.
And when the light shines on me,
I'll be D.A.Z. on the M-I-C.

Come and shake it up like you just don't care,
It's time to let it out get a move on,
So put your body on the floor, get a groove on.

When I hit that spot you'll say DON'T STOP
