

# Dystopia

Bush

We don't know what is coming, we know where we've been  
In this city of ghosts I find myself again  
There's seventeen ways you tried to kill me from the inside  
And now all this scars all this wounds will be healed

Dystopia

Things got so out of control

(Dystopia)

I find so hard to let go

(Dystopia)

Things got so out of control

(Dystopia)

I find so hard to let go

(Dystopia)

I know you're living on the edge, in a minefield  
I've waited such a long time for you to feel  
I've missed you for the longest, it has been so long  
There was a time you were but now I know you're gone

(Dystopia)

Things got so out of control

(Dystopia)

I find so hard to let go

(Dystopia)

Things got so out of control

(Dystopia)

I find so hard to let go

(Dystopia)

Everything you know is wrong  
Everything you know is sand  
Everything you know is broken  
Everything you know is gone  
Everything you know  
Everything you know  
Everything you know  
Everything you know

(Dystopia)

Things got so out of control

(Dystopia)

I find so hard to let go

(Dystopia)

Things got so out of control

(Dystopia)

I find so hard to let go

(Dystopia)
