

# Glycerine Version 3

Bush

1. Must be your skin i'm sinkin' in  
Must be for real 'cause now I can feel  
I didn't mind it's not my kind  
It's not my time to wonder why  
Everything's gone white everything's gray  
Now you're here now you're away  
Don't want this remember that  
I'll never forget where you're at

R: Don't let the days go by glycerine  
glycerine

2. I'm never alone I'm alone all the time  
Are you at one do you lie  
We live in a wheel where everyone steals  
And when we rise it's like strawberry fields  
Treated you bad you bruise my face  
Couldn't love you more you've got a beautiful taste

R: Don't let the days go by could've been easier on you  
I couldn't change, though I wanted to  
Should've been easier by three our old friend fear, and you and me  
glycerine glycerine

Don't let the days go by glycerine

don't let the days go by aye aye

glycerine glycerine

glycerine glycerine

bad moon white again bad moon white again

as she falls around me

3. Needed you more you wanted us less  
Could not kiss just regress  
It might just be clear simple and plain  
Well that's just fine that's just one of my names

R: Don't let the days go by could've been easier on you, you, you  
glycerine glycerine
