Glycerine

It must be your skin I'm sinking in It must be for real 'cause now I can feel And I didn't mind It's not my kind It's not my time to wonder why

Everything's gone white And everything's gray Now you're here now you're away I don't want this Remember that I'll never forget where you're at

Don't let the days go by

Glycerine Glycerine

I'm never alone I'm alone all the time Are you at one or do you lie? We live in a wheel Where everyone steals But when we rise it's like strawberry fields

If I treated you bad You bruised my face Couldn't love you more You got a beautiful taste

Don't let the days go by

Could have been easier on you I couldn't change though I wanted to Should have been easier by three Our old friend fear and you and me

Glycerine Glycerine

Don't let the days go by

Glycerine

Don't let the days go by

Glycerine Glycerine

Glycerine Glycerine

Black moon white again Black moon white again And she falls around me

I needed you more

When we wanted us less I could not kiss just regress It might just be Clear simple and plain Well, that's just fine That's just one of my names

Don't let the days go by Could've been easier on you, you, you
