

# Letting the Cables Sleep

Bush

You in the dark  
You in the pain  
You on the run  
Living a hell  
Living your ghost  
Living your end  
Never seem to get in the place that I belong  
Don't wanna lose the time  
Lose the time to come

Whatever you say it's alright  
Whatever you do it's all good  
Whatever you say it's alright  
Silence is not the way  
We need to talk about it  
If heaven is on the way  
If heaven is on the way

You in the sea  
On a decline  
Breaking the waves  
Watching the lights go down  
Letting the cables sleep

Whatever you say it's alright  
Whatever you do it's all good  
Whatever you say it's alright  
Silence is not the way  
We need to talk about it  
If heaven is on the way  
We'll wrap the world around it  
If heaven is on the way  
If heaven is on the way

I'm a stranger in this town  
I'm a stranger in this town

If heaven is on the way  
If heaven is on the way  
I'm a stranger in this town  
I'm a stranger in this town
