Follow me down to the water Through the trip wires in your head Through the seven layers Of your holy bed

Where there is no one God But a series of systems I wanna be your savior I wanna be your seasons

The only way out is through Lost my mind over you The only way out is through Lost my mind over you

Follow me down to the freeway Where the beat goes on And a heatwave blast the night

Say what you will but we pray To the God's of our own demise All the time

The only way out is through Lost my mind over you The only way out is through Lost my mind over you

Let's build a bonfire tonight We'll stay warm in the night time Warm in the night time

Follow me down to the water Through the trip wires in your head Through the seven layers Of your holy bed

Oooh, Oooh, Oooh Oooh, Oooh, Oooh

The only way out is through Lost my mind over you The only way out is through Lost my mind over you

The only way out
The only way out
The only way out is through
Lost my mind over you
