And now with the following collection of ghoulish sounds  
You can make your own sound terrifying and terrible Uh-huh-ha-ha!

Surprise! Heh-ha-heh-ha-ha-ha Did ya miss me? I sure missed you!

I got a new game sport it's called hide the and guess what you're it!

I told you size ain't shit you better duck quick  
It's the replay of Chucky part two call it chuck wick  
Some niggaz stay hard some niggaz get sorrier  
Insane as the war for the little 5th Ward warrior  
Tonight's your dead date your dying a slow rate  
Let's hope the chainsaw's inside of chuck for your heart's ache  
Give me a knife I'm cutting bodies to pieces  
Remember what happened to your mother fucking nieces  
Niggaz think I'm a ho but I'm letting them know  
Every head I cut off half of that goes to Cujo  
I cut a throat with a God damn stick  
All bodies found dead fuck it blame it on Chuckwick

It's Chuckwick yeah!  
It's Chuckwick I told you he'd find me  
He tried to take over my

The world's smallest killer I can't wait 'til they bury me  
Every arm I chop off I give the fingers to charity  
I saw a dead body just about my size  
Razor blade to his face now I can see out both eyes  
It's time for breakfast but I don't want eggs  
Just jelly and toast and bacon and legs  
If you try to diss that's fine with me  
Hug this is that fine with you G?  
Chuckwick Bill is from another dimension  
Unsatisfied nigga with barbaric intention  
Sometimes I'm invisible, sometimes I'm seen  
Sometimes I'm a pitchfork, sometimes I'm guillotine  
Extra ketchup on them French fried knees  
No tomato on that chopper with cheese  
I'm getting thirsty now what I'm a try  
Gulp, gulp, blood dry!  
You think I'm crazy you think I'm insane  
Just because I wasn't born I was found on a fuckin' train  
You want to rumble well get up shit  
If you buck you get fucked by that nigga named Chuckwick  
Aw shit my nigga Ganksta Nip in the motherfuckin' house  
Yo Nip say something to all the people out there

Tell your kids about my god damn Chuckwick Doll  
Turn down and murder them hard  
What's the name of your hood?  
Fifth motherfucking ward!  
The home of the villains constant killin'  
Get fired at your job start a new job car stealin'  
The word Chuckwick Capitalizes each letter  
And we look as though we're two we took home room together  
You might think that I'm throwed  
A major malfunction made my brain explode  
Which means I'm ready slaughter  
Syphilis and gonorrhoea mixed up in your drinking water  
Before I go I have this to say Hi!  
My name is Chuckwick part three's on it's way

Snap out of it, you're acting like you've never seen a dead body before
