

## Intro

Busta Rhymes

As we approach the current time frame of 1997. With approximately  
two and a half years before the year two thousand. Repeatedly it has  
been reported that there will be a time soon approaching. That  
major disaster will be striking, all levels of existence. It has also been  
reported that this disastrous thing will be approaching in the  
form of  
many, many as in squad, squad as in Flipmode squad.  
It has also been reported that everyone out of the many will strike,  
but this particular motherfucker will strike with an unmeasurable  
blast and fuck up everything within his 360o radius.  
Warning. Prepare yourselves. Store your food, stamp your paper,  
because when this motherfucker gets here, it's about to get real fucked  
for everyone and everything, everywhere!!!!

Well, Busta Rhymes. Come over here and let me talk to you son.  
See know. Dolomite just got back from some shit that you about to  
be it. Well are you prepared, I hope you are prepared nigga, cause  
you know this is album number two. Yes more bitches than before  
. There'll be more bitches, more and more and more. More thirsty  
niggas. Time to get inside your shit. Time to throw your whole  
chemistry off. Oh yes, there's gonna be a lot more money. Yes a  
lot  
more money than before. So son don't you worry about none of that  
shit. All you gotta do is just slap your dick in the mouth of these  
bitches that don't wanna act right, and put a hot one in any  
motherfucker that wants to get in the way of this powerful shit  
right  
here. Ok son, all right Busta enough of this shit talkin. Lets  
be on our  
way. Cause when disaster strikes there's gonna be a whole lot of  
motherfuckers pourin in. All right baby, lets go.

Yo, yo, yo, yo, yo, yo. Ladies and Gentlemen. Straight from the  
motherfuckin street corner. Goin out to all you motherfuckers  
across the globe. On the return trip. It be the niggas. The nig  
gas that

live by the code of blood honor. My Flipmode niggas, ha. Spliff  
bring  
you that shit to another extreme. Her to hit you motherfuckers  
with  
a strike of disaster. I bring on to you once again. The eight w  
onder  
of the world. My nigga Busta Rhymes. And I be that nigga, that  
live  
nigga Spliff I Spliff comin through right at you were ever the  
fuck you  
at. Flipmode is da Squad comin through right at you were ever t  
he  
fuck you  
at.

A yo cut my shit off, get it off. A heh a heh, a heh heh.  
Here we go again motherfuckers. A heh, lets start this  
shit.
