

Britney

Busted

Your face is everywhere I go now
And you're on every television show now,
Baby I need you.
You're everything I want in someone,
But don't even know who I am,
Baby why should you?

Sweating all over your video,
watching every scene in slow mo.
Trackin you down on the Internet
Cos I ain't see you naked yet...

I want you Britney,
I need you here with me.
You know that I won't stop until I've got you.
I want you Britney.

I even know the place that you live,
And I don't care who your boyfriend is,
Cos one day it's gonna be me.
And I think I'm obsessed with you girl,
Cos I copy everything you do now,
And Pepsi lets me taste you,

God must of spent a little more time on you,
In school uniform you look so good.
And you said you're not a girl,
I'll make you woman.

I want you Britney,
I need you here with me.
You know that I won't stop until I've got you.
I want you Britney.

Every single thing you do,
Every time I look at you,
I become a slave for you,
You drive me crazy.
You know that I won't stop until I've got you.
I want you Britney.

What the hell can I do,
To get closer to you.
You can run you can't hide,
I'll make you feel good inside.
What the hell can I do,
To get closer to you.
You can run you can't hide,
I'll make you feel good inside...

I want you Britney,
I need you here with me.
You know that I won't stop until I've got you.
I want you Britney.

I want you Britney,
I need you here with me.

You know that I won't stop until I've got you.
I want you Britney.

She's so weird it scares me,
I don't think she likes me.
And thinking of her name
Is driving me insane...
