

# Crashed the Wedding

**Busted**

I'm so rushed off my feet  
Looking for Gordon Street  
So much I need to say  
I'm sorry that it's on her wedding day

Cos she's so right for me  
Her daddy disagrees  
He's always hated me  
Because I never got a J-O-B

Cos she's mine

And I'm glad I crashed the wedding  
It's better than regretting  
I could have been a loser kid  
Who ran away and hid But it's the best thing that I ever did

Cos true love lasts forever  
And now we're back together  
Its as if he never met her  
So looking back  
I'm glad I crashed the wedding

The neighbours spread the word  
And my mom cried when she heard  
I'd stole my girl away  
From everybody gathered there that day

Just in time

And I'm glad I crashed the wedding  
It's better than regretting  
I could have been a loser kid  
Who ran away and hid  
I said I'd do it and I did

Cos true love lasts forever  
And now we're back together  
Its as if he never met her  
So looking back  
I'm glad I crashed the wedding

Don't wish she's being  
Mad at me for taking her away  
Cos anyway she didn't wanna stay  
So please believe me when I say

She's glad I crashed the wedding  
It's better than regretting  
The ring she got was lame  
She couldn't take the pain  
She didn't wanna silly second name

Cos true love lasts forever  
And now we're back together  
He might aswell forget her  
And walk away

She's glad I crashed the wedding

It's better than regretting  
The ring she got was lame  
She couldn't take the pain  
She didn't wanna silly second name

Cos true love lasts forever  
And now we're back together  
He might aswell forget her  
And walk away  
She's glad I crashed the wedding
