

# Everything I Knew

**Busted**

Everything i knew just went out the window  
Know i can depend on you - forever  
And i never thought i'd see  
My life walk away from me  
I thought we'd always be - together

Notice you didn't have to pay  
For every word i say  
And i wish i could change your decision  
And you know that i try  
And tell you what it's like  
But you just wouldn't listen

Lets go back lets rewind to the days that remind me  
of all the good times that we spent together  
And i don't know why we just let it all slide  
When we both knew inside we were right for each other

I don't know what to do  
Cos your everything that i knew

Everythings the same  
It's like tomorrow never came  
We used to talk about - whatever  
And the seasons never change  
We never used to act our age, everytime we were - together

Notice you didn't have to pay  
For every word i say  
And i wish i could change your decision  
And you know that i try  
And tell you what it's like  
But you just wouldn't listen

Lets go back lets rewind to the days that remind me  
of all the good times that we spent together  
And i don't know why we just let it all slide  
When we both knew inside we were right for each other

I don't know what to do  
Cos your everything that i knew

How can you just walk out of my life  
Without even giving a reason  
And how can you look so good  
The day i watched you leaving

Lets go back lets rewind to the days that remind me  
of all the good times that we spent together  
And i don't know why we just let it all slide  
When we both knew inside we were right for each other (2x)
