

# Out of Our Minds

Busted

5 AM, hit the sin,  
Here we go again.  
We've still got time,  
Blurry eyed, everyday  
But we go out anyway  
And waste our lives.

It's clear that the weekend means nothing to me.  
We here but we don't know how.  
We go off forever, indefinitely.  
We don't know the difference now.

Cause we're out of our minds,  
We spend most of our time,  
Out of our mind, we're falling behind  
And it must be a sign..  
We're out of our minds.

9 AM, shutters down,  
Lights are up, party on.  
We're chasing night,  
Here again feeling numb,  
Take me home, I'm almost done.  
And I'm alright.

It's clear that the weekend means nothing to me.  
We here but we don't know how.  
We go off forever, indefinitely.  
We don't know the difference now.

Cause we're out of our minds,  
We spend most of our time,  
Out of our mind, we're falling behind  
And it must be a sign..  
We're out of our minds.

We are, out of our mind  
We are, out of our minds,

Cause we're out of our minds,  
We spend most of our time,  
Out of our mind, we're falling behind  
And it must be a sign..  
We're out of our minds.

We are, out of our minds  
We would waste our lives,  
We are, out of our minds,  
But we still got time  
We are, out of our minds  
Yeah we waste, we waste our lives
