That Thing You Do

Well I woke up So proud to see you lying naked next to me And the clothes you wore The night before Were lying on my bedroom floor, and This is how I want it to be You know and I want it that way

Baby, I don't know what to say It's like that everyday I never felt this way, yeah I just don't know what to do If I can't be with you Girl you know it's true I love that thing you do

We've seen everything, I've dreamt it all last night we did it in a waterfall Then you turned around and I could see This beautiful simplicity, and This is how I want it to be You know and I want it that way

Baby, I don't know what to say It's like that everyday I never felt this way, yeah I just don't know what to do If I can't be with you Girl you know it's true I love that thing you do

I love that thing you do I love that thing you do I love that thing you do

Cos' I love that thing you do yeah

Baby, I don't know what to say It's like that everyday I never felt this way, yeah I just don't know what to do If I can't be with you Girl you know it's true I love that thing you do
