

## Who's David

Busted

You've always been this way since high school  
Flirtatious and quite loud  
Find your sense of humour spiteful  
It shudnt make you proud  
And I know your pretty face  
Fits for the guys  
But you make up your face  
Enough to hide the lies

Are you sure that ur mine  
Arent you datin other guys  
Cos your so cheap  
And I'm not blind  
Your not worthy of my time  
Somebody saw you sleep around the town  
And I've got proof  
Because the words going around

You told your folks  
Of who you're dating  
I hate it what a sore  
Your stupid lying  
Whos David?  
Some guy who lives next door  
So go live in the house of David if you like  
But be sure he dont know Peter John or Mike?

Are you sure that ur mine  
Arent you datin other guys  
Cos your so cheap  
And I'm not blind  
Your not worthy of my time  
Somebody saw you sleep around the town  
And I've got proof  
Because the words going around

And I know  
That you try  
To break me into pieces  
I know what youre like  
But u cant hurt me now  
I'm over you  
Doo dooo dooo  
I dont like u

Are you sure that ur mine  
Arent you datin other guys  
Cos your so cheap  
And I'm not blind  
Your not worthy of my time  
Somebody saw you sleep around the town  
And I've got proof  
Because the words going around

Woah I dont like you  
No I dont know you
