

Any How Dem Diss

Busy Signal

As we speak, somebody dying. me unda prepare dawg and me na go a road lef me stray dawg, real gangstas a road na play dawg, dawg get dirty so me pick up a stray dawg fi go spray dawg. u seet dawg guns me buy me nu get receipt dawg and me na pose with it fu u see dawg don't temp me me na care wa side u de pon de

Any how dem diss, well a hell and powder house, boy brain jump lef skull and a bounce about, can't go round me me na roundabout, rifle shot circle boy and jump through de informa mouth. hoth ead flank man na save dem can't fuck around ca me done na make pen, mountain view, rockford na fear dem don't mention or say dem

But a wa de rass dis me neva ask no question, from u see da likkle fool de u no say a yes man. kill him first steven kill de next one, me step out step pan na lef me weapon. from wa day fool dem a send bear treat man dem can't go round a big ship go check man dem source me numba start send bare text man me vex man rise the 19 go x man.

Some boy publish bad man business like media, dat why me nu chat up to people neither, from things fe deal with me deal with it hard, rifle treat it graphic and a deal with it harsh.

So ar-15 go chop chop chop chop dem up, hollow tip in na de gun go talk talk talk talk dem up. extension twist like elastic gun na stick dem twist just like gymnastic.

Me na tek talk from nobody, like 300 me pile body pon more body logg full can't find no way fu store body na bury dem pan side walk me chu body. dem go diss and neva see say a de wrong one, the four fifth me slam one me sawed off de rifle dat a de long one me kill however dem say a de strong one de likkle weaklings dem na no much bout badmman yeah.

The rifle ya a de three series, lef u topless like de beamer thre series, some boy na bad dem only talk wa dem a see dem only pree tv's, but de real deal dis.

From boy fi get chop up, badman na even chat up, de gun dem stock up grease up oil and pat up, and me na care which side u de pon from u diss badman me sure say u dead, dead, dead.

Any how dem diss, well a hell and powder house, boy brain jump lef skull and a bounce about, can't go round me me na roundabout, rifle shot circle boy and jump through de informa mouth. hoth ead flank man na save dem can't fuck around ca me done na make pen, mountain view, rockford na fear dem don't mention or say dem. steven lemme tell dem dis now
