

Me Nah Lef

Busy Signal

Girl are you me one, you me one
Girl are you me one, you me one
Bubble and squeeze me tighter...
Girl, wine on me, girl bubble and squeeze me closer
Wine for me, girl wine and squeeze me tight
Girls are you me one, what a sittin fat gyal turn round position backway, and mek mi give you waat mi got.
Have to reach the spot, when me start di gyal a chat sum tings mi never know until she stop
That gyal ah gimme knowledge when me never know, she shine up mi life and left it ah glow
She love di lollipop, she turn it to the side and di back want bounce yeah me bop

Girl you feel good me nah lef you love me right me nah lef
Yes u are di best, waan squeeze me with di... fatness

March to march gyal ah full up di ipone and mi torch, hot gyal when dem step di sidewalk ah scorch
get dem di money... kris like when...
Set her good pon di couch Sexy back ah arch she have di style dem yes she have di style dem
Di something weh mek mi affi dip inna mi...
And if she love mi mi have di file fi file dem... the grease fi oil dem now whine dem.

Girl you feel good me nah lef you love me right me nah lef
Yes you are di best mi haffi confess you ah alone ah give me di fattest tightest love... di best
Girl you feel good me nah lef you love me right me nah lef

Yes you are di best want squeeze me with di... and di fatness.

Girl, wine on me, girl... squeeze me closer
Wine for me, girl... wine, squeeze me tight

Girls are you me one, what a sittin fat gyal turn round position backway, and mek mi give you waat mi got.
Have to reach the spot, when me start di gyal a chat sum tings mi never know until she stop
That gyal ah gimme knowledge when me never know, she shine up mi life and left it ah glow
She love di lollipop, she turn it to the side and di back want bounce yeah me bop

Girl, wine on me, girl... squeeze me closer
Wine for me, girl... wine, squeeze me tight

Girl are you me one... position...
I feel reach the spot,
When it start...
Never know,... she shine in my life
She love the lollipop, she told me to decide...
