

I've Been Waiting For This

Butch Walker

That time I shot that squirrel up in that tree I felt so sad. His body limp and lifeless as I looked up at my Dad. This gun is the best enemy, worst friend that I've had. What shall I do? Oh oh oh.

I swear I've lived a lot of lives, I've seen most if not all. But nothing can prepare you for the coldness of the fall. And it's hard to look behind you when your back is up against a wall. What can you do? Oh oh oh.

(Guess I gotta prove it to you)

I, I was young now it's old. I've been waiting for this. I, I was young now it's old. I've been waiting for this. All I know is I hope as I'm ready to die and I live while I cry. I've been waiting for this. Yeah, I've been waiting for this. I've been waiting for this.

This wedding ring is older than most girls on this floor. And I was married at their age not with this ring but before. How the hell do you know what love is when you're already divorced at 22? Oh oh oh.

I, I was young now it's old. I've been waiting for this. I, I was young now it's old. I've been waiting for this. All I know is I hope as I'm ready to die and I live while I cry. I've been waiting for this. Yeah, I've been waiting for this. I've been waiting for this. I've been waiting for this.

Now the drinks are getting harder and my mind is gettin' soft. In the car, yeah, I would start her if I learned to shut it off. But the drive keeps me alive with just one foot inside the coffin instead of two. Oh oh oh.

(Brother I've been waiting for this day)

I, I was young now it's old. I've been waiting for this. Yeah, I was young now I'm old. I've been waiting for this. All I know is I hope as I'm ready to die and I live while I cry. I've been waiting for this. Hey, 'cause I've been waiting for this. 'Cause I've been waiting for this. 'Cause I've been waiting for this. Yeah, I've been waiting for this. I've been waiting for this. Yeah, I've been waiting for this. Yeah, I've been waiting for this.
