

## For The Love Of Love

Butterfly Boucher

Oh, I do  
I try to  
For the love of love  
And for the love of loving's sake  
Take all the ones you fear  
And all the ones you hate  
Cook a hearty stew  
Brush a smile and fill their plates  
Why is it so simple  
Why is it so hard to say?

Oh, I do  
I try to  
For the love of love  
And don't delay for goodness sake  
Take all the ones you trust  
And all the ones you hold so dear  
Pass around the wine  
Drink it up  
Shed a tear  
Why is it so simple?  
Why is it so hard to say?

Then sing it on

Oh, I do  
I try to  
Oh, I do  
I love you

Oh, I do  
I try to

Oh, I've got to push, push myself  
Oh, I must be brave  
To save the world

Oh, I do  
I love you
