

## Not Fooling Around

Butterfly Boucher

I'm not foolin around tonight  
I'm not trying to win you back  
I'm not trying to win you back

I'm not foolin around tonight  
I'm not trying to win you back  
Fine, I'm trying to win you back

It takes a tear to make me realize  
I thought my feelings could just die like flies  
I miss that face  
I miss that mouth  
I know it now  
You've got to go

I'm not foolin around tonight  
I'm not trying to win you back  
I'm not trying to win you back

I'm not foolin around tonight  
I'm not trying to win you back  
Fine, I'm trying to win you back

You had the courage not to turn around  
And it took a breaking of my soul to find out  
I miss that face  
I miss that mouth  
You left me all alone  
I know it now  
The place where I belong

I'm not foolin around tonight  
I'm not trying to win you back  
I'm not trying to win you back

I'm not foolin around tonight  
I'm not trying to win you back  
Fine, I'm trying to win you back

I'm not trying to win you back  
I'm not trying to win you back  
Fine, I'm trying to win you back
