

# To Feel Love

Butterfly Boucher

Don't make me say it  
You don't want to hear it  
I held it in the hope my heart could change

You say you're not  
But you seem so certain  
I'm really sorry but I just don't feel the same  
You can pin all the blame on me

Because I want to feel love  
Real love  
Deep, down love

Don't try to shatter all my hopes of true love  
Don't try to tell me there's no such thing as "the one"  
I understand  
I understand clearly  
It doesn't happen like it happens in the movies  
I'm aware  
I don't care  
I'm a dreamer

And I want to feel love  
Real love  
Deep, down love  
Deep, down love

While I was gone all my friends got married  
Who's fooling who?  
I don't want to die lonely  
So love's got time  
But I'm not gonna lie to you

But I want to feel love  
Real love  
Deep, down love

I want to feel love  
Real love  
True love

I want to feel love  
True love  
True love  
True love  
True, foolish love  
Real love  
True love
