

## Bar-B-Q Pope

## Butthole Surfers

I, Calypso.  
I shot the barbecue pit  
I shot the pope, yahoo  
They shot the pope  
They shot his ass  
It's over now  
That's what I said

I wet my bed last night  
I woke up sad, whoo  
They shot the pope  
They shot the pope's ass  
They shot the pope  
And i said Good Night
