

## Creep In The Cellar

Butthole Surfers

Well there's a creep in the cellar that I'm gonna let in  
And he eats in the alley and keeps track of my sins  
When he starts talking backwards your head starts to spin  
And he really freaks me out when he peels off his skin

Well there's a creep in the cellar that I'm gonna let in  
There's a hole in his brain where his mind should have to be  
When he start rubbing wrinkles he gets pretty fat  
when he starts talking nickelback, diamondback, Muscleback

Well there's a creep in the cellar with his hands in the air  
And he lies to his mother but she doesn't care  
Well the fish are flying backwards we all just stare  
Like the turkeys talking Backwards

Well there's a creep in the cellar that I' am going to let in
