

I Love You Peggy

Butthole Surfers

I love you peggy-o
well I love you peggy
well I love you pe-heg-ie
oh peggy

oh when I see your pretty brown skin
oh it makes me want to sin
why won't you let me in
oh peggy

I walk down the street peggy
I look up to the sky
your on the TV
and I'm feelin' high
you've got that snotty little grin
and your husband, your husband is dead
so put on that mini-skirt peggy
let me see those long black legs
I've gotta see those long black legs

I love you peggy-o
well I love you peggy
well I love you pe-heg-ie
oh peggy

Oh man oh man oh man oh man
I need a fix
cause I dig it when I'm high Peggy
