

Yeah, boy. Heh Heh Heh.
Let it walk and let it talk and stick it on the wall.
Lately when I say to you baby, don't know what I know.
Let it walk and let it talk and rooty tooty doo
Lately when I see you baby, don't know what I do.
When I say no, yeah, I mean no.
Take me back to Detroit, piehole!
Let it walk and let it talk and what the hell you say?
Lately when I see you baby, each and every day.
Let it walk and let it talk and rooty tooty doo.
Lately when I see you baby, don't know what I do.
When I say no, yeah, I mean no.
Pass me some of that dumbass over there, yeah boy.
Let it walk and put it down and walk it on the wall.
Lately when I see you baby, don't know what I know.
Let it walk and let it talk and what the hell you say?
Lately when I see you baby, each and every day.
When I say no, yeah, I mean no.
Bernie, Bring me my bacon! Bernie?
