

The Annoying Song

Butthole Surfers

Holy man get you hands down out of 25 (some strange yelling type thing) AAAAAAAAAAAAAAAAAA!

Go ahead and leave ya

When she said to see me

Said ya gone ahead and leave ya baby

Right on your gun,

Believe me

Go ahead and leave ya

When she had to see me

Said ya gonna have a lady baby (some other weird yell)

Go ahead and leave ya

When she had to see me

Said ya gone and had to leave ya baby

Right on your gun,

Believe me

Go ahead and leave ya

Do ya gone and had a lady baby now AAAAAAAAAAAAA!

Go ahead and leave ya

When she had to see me

Said ya gone ahead and leave ya baby

Right on your gun,

Believe me

Go ahead and see ya

When she had to see me

Said you had a lady baby (another scream)

Go ahead and leave ya

When she had to see me

Said ya gone ahead and leave ya baby

Right on your gun,

Believe me

Gone ahead and leave ya

When she had to see me

Said you gone ahead and leave ya baby

Why the fuck did I drive by

Go ahead and leave ya

When she had to see me

Said ya gone ahead and leave ya baby

Right on your gun,

But hey

Gone ahead and leave ya

When she had to see me sayin'

You gonna have to leave me god dammit huaaaaaa!

Silent noise, that's what I said

Fucking mad, again!
