

I went into the theater  
I decide to whirl  
I'll take a man  
I'll see him again  
never seen  
said, "buddy boy"

I rolled into the tonky  
with a marking laigh  
a bigger man  
but he was mean  
I stole his guns  
oh Billy Boy! ah!

I rolled into the tonky  
don't know what to say  
the bastard who  
took my gun  
was three miles away

I rolled into the tonky  
don't know what to do  
a beagle, a bear  
the girl, the thorn  
would see them through

I moved into the tables  
they'd see the cigar  
he threw my food  
in the boulevard  
oh Billy Boy! oh Billy Boy!

I walk into the fountain  
with Billy Boy  
I see a thing in the Boulevard  
yellow man  
a fucking boy

Walking to the center  
in the magazine  
I see the girls  
they're looking fine  
Hail Mary, full of grace!

Over to the band stnad  
and what are they saying?  
the bouncers, they know  
who I am  
I stuck it out  
with another man  
NO!
