

You Don't Know Me

Butthole Surfers

You don't know me
You just know my name
You want to see me ruined
I know that's your game
realize
There's nothin left at all
You want to see me ruined
or not at all

Taking trips, instead of reading rhymes
You want to take a tip
and redefine your mind
realize
(there's a brain to the side of dawn?)
?

Taking trips inside your pretty mind,
Won't have to go too far,
there's nothing there to find
realize
there's a brain this side of dawn?)
You want to see me ruined
or not at all

You don't know me
You just know my name
You want to see me ruined
I know that's your game
realize
There's nothin left at all
You want to see me ruined
or not at all
