

Autonomy

Buzzcocks

It's a thing that's worth having
- Yes I would
Buys you your life sir
- If it could

I, I want you
Autonomy

It leaves us all wondering
- And it should
This awkward something
- For the good

I, I want you
Autonomy

I, I want you
Autonomy

It leaves us all wondering
- And it should
This awkward something
- For the good

I, I want you
Autonomy

Yes
I, I want you
Autonomy
