

## Certain Move

Buzzcocks

It's such a certain move  
Don't throw it right back on me  
It's such a certain move  
Open your eyes so you can see

You look like you should know  
So let the four winds blow  
I think it's time to go

It's such a certain move  
Just turn your mind from night to day  
It's such a certain move  
I could believe in what you say

You look like you should know  
So let the four winds blow  
I think it's time to go

It's such a certain move  
Don't throw it right back on me  
It's such a certain move  
Open your eyes so you can see

It's such a certain move  
From time to time and day to day  
It's such a certain move  
What does it matter anyway

It's such a certain move  
From time to time and day to day  
It's such a certain move  
What does it matter anyway

I could believe in what you say  
What does it matter anyway
