

## I've Had Enough

Buzzcocks

This time I've made up my mind I've had enough  
What a complete waste of time I've had enough

Each morning I wake to discover that nothing's changed  
The love I wished for don't exist  
If it's not one thing it's another - can't carry on  
But I feel powerless to resist

Friends don't know what I go through I've had enough  
Now see what you've made me do I've had enough

Been trapped in this state of denial for far too long  
The love I've aimed for has been missed  
But this time I'm serious, it's final  
It would be wrong, don't wanna be a masochist

And I wish that there could be another way  
But I can't believe a single word you say, anyway

Not gonna take any more I've had enough  
Just what did you take me for? I've had enough

Each morning I wake and discover you're still the same  
The love I crave for won't exist  
It's neither one thing nor another - I won't go on  
I hope I'll find strength to resist

Yes, it's the end of the line I've had enough
