## Last To Know

Buzzcocks

Will I be the last to know I've got this little question for ya Will I be the last to know Or is this just my paranoia Will I be the last to know

I came into your room while you were sleeping And tip-toed to the bottom of your bed I held my breath so I could hear you breathing Love's such a sweet thing

Will I be the last to know I've got this little question for ya Will I be the last to know Or is this just my paranoia Will I be the last to know

I want to give myself to you completely I love you more than truth could ever tell Please promise not to mistreat me or beat me Just treat me sweetly

Will I be the last to know I've got this little question for ya Will I be the last to know Or is this just my paranoia

What will I discover Will you turn on me and say You didn't mean to be unkind You haven't changed your mind You've never loved me anyway

I want to give myself to you completely I love you more than truth could ever tell Please promise not to mistreat me or beat me Just treat me sweetly

Will I be the last to know I've got this little question for ya Will I be the last to know Or is this just my paranoia

What will I discover Will you turn on me and say You haven't changed your mind You've never loved me anyway

Will I be the last to know Will I be the last to know Will I be the last to know
