When I phone you night and day
I get no reply no reply
I keep writing those letters and send them away
To get no reply no reply

No reply oh can't you see
No reply it's ruining me
Even when I ask the reason why
I get no reply no reply
No reply no reply

Oh no no no no no no no No reply no reply Ch no no no no no no no no No reply con reply

I'm bruising my knuckles knocking at your door
To get no reply no reply
I've stood it for so long but can't stand it no more
To get no reply no reply

No reply oh can't you see
No reply it's ruining me
Even when I ask the reason why
I get no reply no reply
No reply no reply
